

Satellite based Live Interactive Discussions at SIPRD, Kahikuchi.

The ISRO sponsored Satellite based communication system at SIPRD, Kahikuchi campus is linked to all the Extension Training centres of SIPRD across Assam which are equipped with Satellite Interactive Terminals. It is a both way communication system so that the participants can ask any question to the Resource persons at Kahikuchi and get answers instantly from them.

On June 8, 2018 a live Interaction Program on Career Counseling with Dr. Buljit Buragohain, Associate Professor of GIMT was held at Satellite Hub situated at SIPRD, Kahikuchi campus. The topic of discussion was mainly on Career Counseling for class 10 and 12 students who have just passed out and in search of important guidance from learned authority. The program was anchored by Mr. Shiva Prasad Bora along with Mr. Swapan Kumar Kalita.

More than 400 Students across all over Assam took part in the Interactive Discussion. Ritamoni Burhagohain, Principal EC, SIPRD Biswanath also took part in the discussion and discussed several issues faced by the students regarding their career. The program was finished off with a beautiful song performed by a young participant from Biswanath Chariali.

On 13th June another programme on Rural Entrepreneurship in Assam was held at Satellite Hub, SIPRD, Kahikuchi. The Resource Person of the programme was Dr. D.D.Mali, Ex. Director, IIE. Also present in the show was Principal of Nalbari and Amoni Mr Amar J Das and Dr. Achyut A Bora who were jointly anchored the show. The level of participants were comprised of aspiring entrepreneurs, Jeevan Jyoti beneficiaries and other youths. Around 400 participants took part in this live interactive discussion.

The programmes are arranged and coordinated by Sri Anupam Dutta, Senior Faculty of SIPRD under the guidance of Director,SIPRD,Sri K Pegu. The live streaming and recording of the programmes were executed by Sri Udepta Brahma and his team in the Satellite Hub. The programmes are also available in You Tube and Facebook.
